

Pop Art Assignment

For this project, students will delve into the *Pop Art* movement and create their own pop art creation. While learning about the movement, you will have a better understanding of the goal of the artists as well as what motivated them to go down that route. This project may or may not be done with a partner.

Part 1: Partner and image selection

- Partner up
- Choose an object that would fit well within the movement
- Create a template for your work
- Come up with a different theme for each section of the work. (You may use any combination of the following: tone, colour, pattern, texture)
 - feel free to invert colours, use positive negative, colour schemes or warm and cool colours as your themes
- Check-in with Sav

Part 2: Transposing your image

- Use the overhead projector to trace your work onto your poster paper
- Check-in with Sav
- Begin colouring
