

Spacy/Sunny Pastels

For this project, students will work on developing their skills with oil pastels to create a space/sun landscape. Students will practice a variety of different blending techniques, learn how to stipple and use colour gradients to produce a magical effect on their space/sun landscape.

PART 1: Using pastels

- Tape the borders of your paper to the desk
- Practice:
 - Gradients
 - Blending with finger, paper and layering
 - Stippling
- Check-in with Sav

PART 2: Sketch and colour your space/sun landscape

- Sketch
- Get the idea ok'd by Sav
- Draw the final copy and colour
